YES	NO

PLEASE NOTE: Should you have answered "yes" to any of the questions 1-11, and you are applying for a licence to drive a go-kart you are required to have your Doctor complete the medical clearance below. If your licence application requires a medical clearance it will not be processed until that clearance is received. None of these items will necessarily preclude you from holding a licence, but it is a safety requirement that the information above is disclosed.

12. Are you required to wear spectacles to correct distance vision?
13. Are you on Work Cover/Workers Compensation? (If YES, drivers are not permitted to race)
