2021 AIDKA SA STATE DIRT KART TITLES

REGISTRATION AND

- At the driver registration, you will be required to sign in.

SCRUTINEERING:

- You will be issued an armband, sign the indemnity sheet and have your log book filled in. You will also be issued your new barcoded chassis and engine seals.
- You will require an engine seal for the engine you will be running. If you require an additional seal for your spare engine, these will be available from the scrutineer during the meeting. Any engine sealed must be presented with the seal still attached for engine measuring at the completion of the meeting.
- You will also require a chassis seal which is to be fitted to the chassis at the base of the steering column.

Seals must be fitted prior to the first heat of racing.

- Random Scrutineering checks will be performed on karts during the meeting. Any items deemed unsafe will be required to be rectified before the kart can participate in any further racing.
- Any karts missing either an engine or chassis seal will need to be rectified before the kart can participate in any further racing.
- If any issue (i.e. unsafe kart/missing seal) is not rectified prior to a race commencing, the offending kart may be removed from the outgrid.
- Any kart missing either an engine or chassis seal that is not rectified may be excluded from the race meeting.
- If you have any questions regarding technical requirements you can ask an official who will direct you to the appropriate person.

Any such decision will be based upon the length of available daylight remaining. As a result, all competitors need to be prepared that racing may continue beyond what is scheduled. Race officials will ensure any such decision is communicated with sufficient notice.

COVID-SAFE:

Blanchetown Dirt Kart Club currently operates under a Covid-Safe plan issued by the Government of South Australia. This plan allows for a maximum capacity of 1,000 people (excluding staff) to attend any meeting held at the track. This may result in the number of persons attending the event being limited.

The club -

- Is aware of current infection control and precautionary measures as recommended by health authorities and set out in their plan.
- Agrees to comply with general and specific obligations under current Emergency Management Directions.
- Will make the Covid-Safe plan available on-site.

Effective Contact Tracing forms a part of the club's Covid-Safe plan. As a result, all persons attending the event are required to provide contact information, either with the use of the Covid-Safe QR code that can be scanned by the mySA GOV app, or if any person is unable to utilise the QR code, then they must provide their contact information manually on the forms provided. Either method of providing contact information will need to be effected on each day.

Remember:

- * *Do not attend if you are unwell*
- * *Stay 1.5 metres from others not in your group*
- * *Regularly wash or sanitise your hands*
