POINTS SYSTEM

- AIDKA 23 points system to be used
 - Quick Grid to be used to calculate grid draw and final starting positions for the final.
 - Final placings will be determined by the Winner Takes All Final. Placing are not final until the race is cleared by the Chief Steward.

TRANSPONDERS

- Transponders will be used.

RACING NUMBERS

All numbers are to be clear and visible prior to a race. Numbers must conform to AIDKA Rule Book. National Plates & SA State Plates will be permitted at this event. Confirmation of your chosen number will be advertised on the AIDKA website/App once nominations close. Host club drivers will be given priority of racing numbers. In the event of two or more non YP members requesting the same number the lowest licence number holder will be given their first preference.

SIGN IN & SCRUTINEERING PROCEDURE

- At the driver registration, you will be required to sign in.
- You will also be issued your new barcoded chassis and engine seals.
- You will require an engine seal for the engine you will be running. If you require an additional seal for your spare engine, these will be available from the scrutineer during the meeting. Any engine sealed must be presented with the seal still attached for engine measuring at the completion of the meeting.
- You will also require a chassis seal which is to be fitted to the chassis at the base of the steering column.
- Seals must be fitted prior to the first heat of racing. Random Scrutineering checks will be performed on karts during the meeting. Any items deemed unsafe will be required to be rectified before the kart can participate in any further racing.

- Any karts missing either an engine or chassis seal will need to be rectified before the kart can participate in any further racing.
- If any issue (i.e. unsafe kart/missing seal) is not rectified prior to a race commencing, the offending kart may be removed from the outgrid.
- Any kart missing either an engine or chassis seal that is not rectified may be excluded from the race meeting.
- If you have any questions regarding technical requirements you can ask an official who will direct you to the appropriate person.
