

State Title Information

PIT BAY PARKING

Thanks to all those who sent through the information about their trailers and tried to find people to pit with! It is so appreciated; however, given our lower nominations we have decided that we will not have a formal pit bay allocation. We do ask that there is no vehicle movement in the pits on the Saturday morning in the interest of safety.

The timetable for when our pits open is included below, however we will be allowing GSKC members into the pits earlier. To try and make it easy for everyone we will post a State Titles Pit Map on the Facebook page the week prior with GSKC members bays marked.

Friday Pit Gates Open:		Saturday	
GSKC Members:	8.00am	Pit Gates Open	7.00am
Non GSKC Members:	11.30am	Pit Gates Close:	8.30am

MEAL TICKETS

Meal tickets will be sold through the AIDKA app (Meeting called Meal Tickets – 2022 WA Titles) we appreciate everyone’s patience with this.

A canape style menu will be offered around at the track, with food service aiming to start 30 minutes after race results have cleared. Pricing is below.

Adults (12+): \$40.00

Kids (11 and under): \$20.00

CAR PARKING

There will be no cars allowed in the pits, so please park your car in the areas designated on the pit bay map (public park area, outside the pits, up the top of the hill).

Parking behind the canteen and the trees near the canteen is limited to officials, canteen staff and the coffee van. 😊

PIT PARTY

Due to our revised timetable, we have decided to hold a pit party after sign in closes at 6pm. We will be offering a sausage sizzle at the club house and the bar will be open.

Just a reminder for those wanting to stay at the RV Centre to please get your forms in ASAP. Please note that the RV Centre is still available from Thursday. If you have already paid for the RV Centre and have any questions about our revised schedule, please get in touch via titles@greatsouthernkart.club 😊
