Points System:

23 Point System

Quickgrid will be used to calculate grid positions (heat 1-4) and final placings.

Trophies:

Trophies and State Title Number Plates will be awarded to the first three placegetters. Sashes will be awarded to places 4th to 6th.

Transponders:

Transponders will be used and compulsory for this event, adhering to the 2025 AIDKA Rule Book.

You are allowed to use one transponder on multiple karts, however, if you forget to move your transponder between karts it will result in a loss of heat points.

Transponders must be on the kart prior to practice so that the system can be checked and make sure your transponder is working correctly.

Racing Numbers:

All numbers are to be clear and visible prior to a race. Numbers must conform to the 2025 AIDKA Rule Book.

National Plates & State Plates will be permitted at this event. Once the AIDKA Secretary has checked and confirmed all nominations, those that need to change race numbers will be notified via the AIDKA App.

In the event of one or more entrants nominating the same racing number in a class than the Driver with the lowest AIDKA license number has first preference for kart number.

Driver Registration

At sign-in, you will be issued with a wristband, sign the indemnity sheet and have your logbook filled in.

You will require an engine seal for the engine you will be running. If you require an additional seal for your spare motor, these will be available from appointed official during the meeting. Any engine used must be presented with the seal still attached for the engine measuring at the conclusion of the race meeting.

You will also require a chassis seal, regardless of if your chassis has a number stamped into it. The chassis seal is to be fitted to the chassis at the base of the steering column.

Seals must be fitted prior to the first heat of racing.

Scrutineering Procedures:

Self-scrutineering will be used at this event.

Scrutineers will conduct spot-checks on karts and safety gear during the event.

Any items deemed unsafe will be required to be rectified before the kart can participate in any racing.

Any issue (i.e. unsafe kart/missing seal) not rectified prior to a race commencing, the offending kart may be removed from the out grid.

Any kart missing either an engine or chassis seal that is not rectified may be excluded from the race meeting.

If you have any question regarding technical requirements, you can ask an official who will direct you to the appropriate person.

Rules:

As per the current 2025 AIDKA Rule Book

Liquor:

BYO Spectator Area ONLY (this will be closely monitored and any unruly behavior, you will be asked to leave the premises.)

No Alcohol or consumption in the Pit Area, anyone who has consumed Alcohol is not allowed to enter the Pit Area.

Anyone with a wristband who is found to have consumed alcohol will have their wristband removed.
